A. Full description of incident (who, what, where, when, why and how. Include all inmate and staff actions during the incident):

On Thursday, July 25, 2019, at approximately 1646 hours, Senior Correctional Officer Bryan Yandell and Correctional Officer Bradley Carlton were escorting inmate Brown, Brandon #592090 (Date of Birth: [REDACTED] Race: Black, Affiliation: Gangster Disciples) from Intake to Main Medical for a medical evaluation after returning from Holdenville General Hospital due to suspicion of drug use.

Inmate Brown became verbally aggressive, refusing to go to Medical, and demanding to be taken to Segregation. Escorting staff explained to inmate Brown that the doctor had ordered him to be taken to Main Medical for an evaluation upon returning from the hospital. At that point inmate Brown pulled away from Correctional Officer Carlton and began to swing his elbows in an aggressive manner. Senior Correctional Officer Yandell and Correctional Officer Carlton used their physical strength and body weight to place inmate Brown on the ground in a prone position in order to gain compliance. Senior Correctional Officer Austin Peltier and Correctional Officer Seth Scribner who were present in Intake observed the incident and assisted in controlling inmate Brown.

Once inmate Brown was on the ground, Correctional Officer Scribner began operating camera #C244 and radioed for a Response Team and for the escort gurney to be brought to Intake.

Correctional Officer Thomas Giles, Correctional Officer Patrick Roberts, Correctional Officer Sara Vance, and Correctional Officer Robert Choate responded in less than two (2) minutes. Upon arrival, Correctional Officer Giles relieved Correctional Officer Carlton, who went to Main Medical to retrieve a spit mask. Correctional Officer Carlton returned with the spit mask and placed it over inmate Brown's head. Correctional Officer Roberts relieved Senior Correctional Officer Yandell and Correctional Officer Vance relieved Senior Correctional Officer Peltier in assisting to maintain compliance of inmate Brown.

Senior Correctional Officer Peltier relieved Correctional Officer Scribner as camera operator and Correctional Officer Choate relieved Correctional Officer Vance in assisting to maintain compliance of inmate Brown.

When the escort gurney arrived in Intake, Correctional Officer Choate, Correctional Officer Roberts, and Correctional Officer Giles assisted inmate Brown to his feet and secured him on the gurney. Correctional Officers Choate, Correctional Officer Roberts, and Correctional Officer Giles then escorted inmate Brown to Main Medical for a post use of force evaluation which he refused.

Correctional Officer Choate, Correctional Officer Roberts, and Correctional Officer Giles then escorted inmate Brown to Intake Cell #02 where he was unclothed, given a safety smock, and placed on constant observation due to suspicion of illicit drug use.
